PROFILE

Innovative Senior Front-End Developer with 3 years of experience delivering standout digital solutions across various industries. Specializing in crafting clean, visually stunning interfaces that ensure an exceptional and intuitive user experience.

WORK EXPERIENCE

Crystallite Digital Pvt, Karachi   2023 - PRESENT
Senior React JS Developer

- Developed and maintained advanced UIs with React.js and Next.js, focusing on reusability and performance optimization.
- Utilized Next.js for server-side rendering and static site generation across diverse sectors, such as eCommerce & Video Animation Sites.
- Integrated RESTful APIs and GraphQL for dynamic data handling and updates, enhancing responsiveness and engagement.

Crystallite Digital Pvt, Karachi   2022 - 2023
Senior Front-End Developer

- Developed websites for Real Estate, Hotel Management, Amazon SEO Company, eBook Publishers, and Digital Marketing Agencies.
- Created multiple responsive websites for mobile and desktop devices using HTML, CSS and JS as well as third-party libraries such as jQuery.
- Mentored junior developers and led code reviews, promoting best practices and improving team productivity.

WebExperts, Karachi   2021 - 2022
Junior Front-End Developer

- Developed and executed front-end development strategies, resulting in website performance and cross-browser compatibility.
- Built websites for Healthcare (Hospitals & Pharmacies) as well as platforms for Web and Mobile App Development Company.
- Tested and debugged code to ensure compatibility and stability, resulting in website errors and improved website functionality.

ZM Global, Karachi   2021 - 2021
Front-End Developer (Intern)

- Assisted in the creation and implementation of user interface components, enhancing user engagement and experience.
- Worked with senior developers to integrate responsive design techniques, ensuring seamless performance across devices.
- Assisted in the optimization of front-end assets, contributing to a more efficient and faster-loading website.
